

# Public Register of Planning Applications

## Glossary of Terms

**Application Number** - the reference number given by Council to identify the planning permit application.

**Application Type** - the kind of application applied for as follows:

**Standard** - an application that falls under the 'regular' prescribed planning permit process under the Planning and Environment Act 1987.

**Amended** - an application that makes changes to the original planning permit obtained, in accordance with Section 72 of the Planning and Environment Act 1987.

**VicSmart** - an application that falls under a simple and straight forward planning permit process if all the prescribed criteria are met under the Brimbank Planning Scheme.

**Property Address / Properties listed below** - The location of the property/properties that are subject to the permit application.

**Proposal** - a description of what type of use, development or works has been applied for.

**Change of Application** - the date in which a change to the application is requested by the applicant. This request can only be done during the processing of the application and before a decision is made by Council.

**Notice/Advertise** - The date in which Council notifies the adjoining property owners, occupiers and other interested stakeholders about the application.

**Status:** where the application is at, as follows:

**New Application** - application lodged with Council and registered within the last 7 days.

**Under Consideration** - application being reviewed by Council in accordance with the prescribed process.

**Under Appeal** - application is submitted to the Victorian and Civil Administrative Tribunal (VCAT) for a review of the decision or other prescribed appeal reasons.

**Determination / Council / Appeals** - What the decision is by Council and the date on which this was issued. If appealed, what the decision is by VCAT and the date on
